PARTNERSHIPS.**

Welcome to your brand's digital foundation. The Starter Package delivers a structured, professional entry into digital marketing. It establishes a consistent, polished online presence that keeps your audience actively engaged while laying a focused groundwork for sustained growth.

What You Get:-

Platform Focus: Dedicated management of 1 primary platform (e.g., Instagram or Facebook) to concentrate your brand's impact.

Consistent Posting: 8 strategically designed social media posts per month (approximately 2 per week) to maintain steady audience engagement.

Foundational Branding: Includes a basic branding kit to establish or refine your visual identity, featuring a customized color palette, typography selections, and clear logo guidance.

Custom Content: High-quality designed graphics paired with compelling copy, all perfectly aligned with your brand identity.

Reliable Support: Direct access to our team via Email and WhatsApp, with a guaranteed 48-hour response time.

Growth Tracking: A comprehensive monthly performance report detailing your reach, engagement rates, and follower growth so you can clearly measure your success.

Welcome to our most popular tier, built to accelerate your brand's momentum. The BOOST Package scales your digital presence across multiple channels, combining high-volume content, engaging video strategies, and strategic ad management to drive measurable results and elevate your market position.

What You Get:-

Multi-Platform Expansion:

Dedicated management of 2 distinct platforms (such as Instagram + Facebook, or adding Google Business) to broaden your digital footprint.

Video Content Production:

2-4 Reels or short-form videos per month, fully scripted, edited, and captioned for maximum audience engagement.

Google Business Optimization:

Complete Google Business Profile management, which includes regular posts, Q&A handling, and prompt review responses.

Advanced Analytics: Bi-weekly reporting that closely tracks crucial metrics like reach, engagement, click-through rates, and overall ad performance.

High-Volume Posting:

12-16 strategically planned posts per month distributed across your chosen platforms to maintain strong, continuous visibility.

Custom Content Creation:

Professional graphic design and persuasive copy tailored specifically for all post formats.

Ad Campaign Management: Basic ad management for Meta or Google networks is included to boost your reach (a 15-20% fee is applied based on your total ad spend).

Priority Support: Expedited communication with priority access via WhatsApp and email, featuring a guaranteed 24-hour response time.

The PRIME Package delivers a comprehensive, full-scale digital strategy. Designed for brands ready to dominate their digital landscape, it integrates high-volume content, multi-platform management, and dedicated web assets to drive significant, measurable business growth.

What You Get:-

Extensive Platform Management:

Expert management across 3–4 platforms (choose from Instagram, Facebook, LinkedIn, Google, or YouTube Shorts) for maximum digital reach.

High-Frequency Posting: 25–30

dynamic posts per month distributed across all your managed platforms.

Advanced Content Creation:

Features advanced graphic design, photography direction, targeted copy, and platform-native formats.

Premium Video Production: 6–8

high-quality Reels or short-form videos per month to capture and retain audience attention.

Comprehensive Ad Campaigns:

Full strategy, setup, and continuous optimization for paid ad campaigns across Meta and Google (a 15–20% management fee applies based on ad spend).

Website Inclusion: A basic website is included as part of this package, covering both design and hosting setup (refer to Project Services for specific technical specifications).

Elite Support: A dedicated account manager assigned directly to your brand, providing guaranteed same-day responses.

Real-Time Analytics: Access to a weekly reporting dashboard with detailed Key Performance Indicator (KPI) tracking.

₹80,000 - ₹1,20,000

PREMIUM

The PREMIUM Package is our most elite, all-encompassing digital solution. Designed for ultimate market domination, it provides limitless content scaling, full-stack platform coverage, and a dedicated team, ensuring your brand achieves maximum visibility and explosive growth across every touchpoint.

What You Get :-

Total Platform Coverage:

Complete management across all relevant platforms, including Instagram, Facebook, LinkedIn, YouTube, X, and Pinterest as needed.

High-Volume Video Production:

12+ premium Reels or short-form videos per month to aggressively capture and hold market attention.

Influencer Integration: Influencer coordination is available as an exclusive add-on to amplify your brand voice (refer to our Project Services for full details).

Strategic Analytics: Continuous access to a live, real-time reporting dashboard paired with dedicated weekly strategy calls to keep our teams perfectly aligned.

Limitless Content: Unlimited posts distributed seamlessly across all your active platforms to maintain an omnipresent digital footprint.

Advanced Web & SEO: The development of a full, multi-page website complete with comprehensive SEO optimization to rank higher and convert better.

Full Ad Management: End-to-end execution of paid ad campaigns, including deep strategy, creative design, A/B testing, and continuous optimization (a 15-20% fee applies based on your total ad spend).

Top-Tier Support: A dedicated account manager backed by a priority escalation team to ensure immediate, comprehensive assistance whenever you need it.

READY TO SCALE?

- **Important Note:** Please keep in mind that upgrading your package does not make any of your previous services invalid; your core services will remain exactly the same, and the additional benefits of your upgraded tier will simply be seamlessly added on.
- **Scalable Add-ons:** While Reels and Paid Ads are not included in the base tier, they can be seamlessly added as your strategy evolves (Ads incur a 15–20% management fee based on ad spend).
